TERMS &

Terms and Conditions for Buyers, Sellers, and Attendees of Horse Sales
Cherokee Sales Co.

Warning of Risk: Horses are unpredictable animals, particularly in a sale setting. By attending the sale, you acknowledge and accept all risks. Cherokee Sales Co. is not responsible for injuries, damages, or accidents to horses, people, or property. 76 OK Stat § 50.2.

Required Documentation: Original registration papers, signed transfers, and all breeders' certificates must accompany horses at the time of check in. A current Coggins test, and Interstate Certificate of Veterinary Inspection (health paper) are required at the time of check in. Buyers who will be traveling out of state with any horses purchased through the sale must obtain a health paper before leaving the state.

Care of Animals: Sellers are responsible for providing care for their horses until after the buyer makes payment and takes possession. Sellers must provide their own feed, feed buckets, shavings, and water buckets. Hay is available for purchase \$10 per bale. Barn riders are available for grooming and riding for \$50.00 per day.

Payment methods accepted: Cash, cashier's check, personal check accompanied by a photo identification or bank letter of guarantee.

Agents only: Cherokee Sales Co. and its associates act as agents for the sellers only. Cherokee Sales Co. is not responsible for buyer/seller error or misunderstanding.

Guarantees and Warranties: All guarantees are strictly between the buyer and seller and by participating in this sale, you acknowledge that the remedy to correct any failure to satisfy such guarantees is between the buyer and seller only, with no responsibility by Cherokee Sales Co.

Except as provided in our soundness guarantee, all horses are sold "as is" without any express or implied warranties. Such sales are not subject to a post purchase veterinary examination. Buyers are advised to examine all horses thoroughly prior to purchase.

Rideability is not guaranteed, even if the horse is sold as a performance or saddle horse.

Sellers agree to clearly disclose any defects or bad habits in advance of the sale.

The data provided in the catalog is done so with the intention of providing accurate information, but errors and incorrect information sometimes occurs. Cherokee Sales Co. does not guarantee the accuracy of any statements or data in the catalog, but appreciates errors being brought to the attention of management for correction. Announcements from the block take precedence over printed material.

Soundness Guarantee: All catalog horses are sold with the following soundness guarantee, unless otherwise stated either in advance of the sale or from the block:

- No obvious limp or abnormality of gait on all four legs as viewed by external examination. This does not include an extensive lameness exam with flexion test, x-rays, ultrasound examination, etc.
- Some level of functional vision out of both eyes, but no guarantee of perfect vision. Small scratches or spots are deemed to not impair functional vision.
- Does not crib (suck wind), does not weave, low back, and is not proud cut.

Should a soundness issue be noticed by buyer within 72 hours of purchase, the buyer is to contact Cherokee Sales Co. immediately. The buyer will be required to immediately provide photographic and video evidence of the defect. Radiographs, ultrasounds, and other advanced imaging does not constitute proof of unsoundness under this guarantee. The horse must be immediately returned to Cherokee Sales Co. for inspection by the horse sale manager. The unsoundness must be visible to the horse sale manager and all decisions by the manager as to soundness are final. Any unsoundness noticed after 72 hours from the hammer fall shall be deemed beyond the scope of this guarantee.

Commission and Fees: Sellers' commission is eight (8%) percent of the gross sales price, which is deducted from the sellers' proceeds, plus a non-refundable catalog fee of \$150. By consigning to this sale, sellers waive their prompt payment expectations under the Packers and Stockyards Act and acknowledge that they will not be paid net proceeds until after the 72 hour soundness guarantee time period has elapsed. If a horse is deemed to be unsound, the sale is deemed to be void and seller must immediately retrieve the horse and agrees no payment of sales price will be paid to seller.

The seller has the privilege to "no sale" or "pass out" on their horse. If the horse is a "no sale" or is "passed out," the cost to the seller will be the catalog fee plus \$100. If a horse is advertised as consigned to the sale and is not presented for sale without prior written approval from Cherokee Sales Co. management or a letter from a veterinarian indicating the horse cannot stand for sale that day, there will be a \$500 fee, payable by the seller. No substitutes are allowed.

ALL HORSES MUST GO THROUGH THE SALE RING. ABSOLUTELY NO ALLEY TRADING. ONLY HORSES CONSIGNED TO THE SALE WILL BE ALLOWED ON THE SALE GROUNDS.

Title and Risk of Loss: Title passes to buyer upon payment of the invoice, but risk of loss passes at the drop of the hammer. Buyer agrees to release, defend, indemnify and hold owners, managers, and employees harmless from all losses, expenses, and claims related to the possession, care, custody, control or maintenance after the fall of the hammer of any horse on which he or she is the successful bidder, whether resulting in whole or in part from their own negligence, including but not limited to any claims arising out of injuries or damage caused by the horse after the fall of the hammer. The horse will be held for buyer until buyer makes settlement as provided. Buyer shall immediately present themselves to make settlement if requested by auctioneer or within thirty (30) minutes of conclusion of the sale. Buyer is responsible to check registration and additional paperwork at time of settlement.

HILLSDALE DECLAN

SEX: Gelding FOALED: 2021 COLOR: Sorrel

NOTES: Dale is a 2021 AQHA ranch gelding. Stands 14.1H tall. He is a “been there, done that” kind of horse that has been started right and is ready for a job. He has no hump or buck in him and is a handy size to make a breakaway or heel horse. He would also make a great 4H, rodeo, or gaming horse. My kids ride Dale all over outside through trees, mud, and water. He is 100% sound all around and ready for his forever home.
